## Synopsis

NOW A NATIONAL BESTSELLER A New York Times Bestseller; a Goodreads Choice finalist; named one of the Best Books of the Year by NPR, Slate, Publishers Weekly, Hudson Bookseller, St. Louis Post-Dispatch, Kirkus Reviews, AudioFile Magazine, and It is the present-day, and the world is as we know it: smartphones, social networking and Happy Meals. Save for one thing: the Civil War never occurred. A young black man calling himself Victor has struck a bargain with federal law enforcement, working as a bounty hunter for the US Marshall Service in exchange for his freedom. He's got plenty of work. In this version of America, slavery continues in four states called "the Hard Four." On the trail of a runaway known as Jackdaw, Victor arrives in Indianapolis knowing that something isn't right--with the case file, with his work, and with the country itself. As he works to infiltrate the local cell of a abolitionist movement called the Underground Airlines, tracking Jackdaw through the back rooms of churches, empty parking garages, hotels, and medical offices, Victor believes he's hot on the trail. But his strange, increasingly uncanny pursuit is complicated by a boss who won't reveal the extraordinary stakes of Jackdaw's case, as well as by a heartbreak young woman and her child--who may be Victor's salvation. Victor believes himself to be a good man doing bad work, unwilling to give up the freedom he has worked so hard to earn. But in pursuing Jackdaw, Victor discovers secrets at the core of the country's arrangement with the Hard Four, secrets the government will preserve at any cost. Underground Airlines is a ground-breaking novel, a wickedly imaginative thriller, and a story of an America that is more like our own than we'd like to believe.

## Customer Reviews

An Best Book of July 2016: A powerful look what might have been, Ben Winters creates an alternate reality based on the absence one of our most important historical events: The Civil War. Slavery has infected the United States, permeating the everyday lives of most Americans without much thought until a group of citizens come forward to try and make a difference. This trailblazing and well thought out novel plays the role of mystery-thriller while poignantly illuminating the many ways life today is more like Winters' alternative world than we may want to admit. --Penny Mann, The Book Review --This text refers to the Hardcover edition.

NOMINATED FOR THE BEST HARDCOVER NOVEL ITW THRILLER AWARD A FINALIST FOR THE CHAUTAUQUA PRIZE A New York Times Bestseller; a Goodreads Choice finalist; named one of the Best Books of the Year by NPR, Slate, Publishers Weekly, Hudson Bookseller, St. Louis

Post-Dispatch, Kirkus Reviews, AudioFile Magazine, and "This one kept me up at night and changed the way I saw the world once I was finished." Ann Patchett, Time "This is one of the most thoughtful and inventive books I've read. Part alternate history and part detective novel, Underground Airlines couldn't be more timely or thrilling. It's a page-turner with a big mission: to warn against placing our history on a dusty shelf. On every page is the spirit of Faulkner's quote-The past is never dead. It's not even past. Here, Winters takes America's legacy as a slaveholding nation all the way to its logical and terrifying conclusion." Attica Locke, Edgar Award-nominated author of Bluebird, Bluebird
