## Customer Reviews

THANKS FOR A GREAT PRODUCT AND THE SERVICE WAS EXCELLENT QUICK AND ACCURATE DESCRIPTION HELPED ME GET WHAT I WANTED AND BACK TO WORK.

Wife finished Vol 1 and had to have 2 and 3.

As described, great assortment.

Good

This is the second Sudoku puzzle book I got. I love sudokupuzzle game when I was a child. It is really a fun numberpuzzle game. This book is excellent for me, a beginner. There are four difficulty levels. I start from the easy one. I can solve the easy one within ten minutes. I hope I can improve the speed and try more difficult ones. Each level has 100 puzzles, it takes me a long time to finish all of them. I used to have vol 2 of this book, I feel I need more easy level puzzles to play with my kids, so I found this vol 3. Both books look the same, while the details puzzle are different. And the answers of these puzzles are attached at the end of the book. I don't look at them, and prevent kids to check the answer.

I just love sudoku! I got the PDF version and just love it! All I have to do is print out the pages I want and go about my business. It isn't a book, but I can print out the same puzzle over again for not just myself, but also for my family who are also loving sudoku. The puzzles go from easy to hard and I love it. Very good puzzles and there's a lot in the book to keep one busy and the mind super sharp. My husband has to constantly get my attention because I am so drawn to these puzzles. Love them!

Good variety of suduko puzzles. I enjoyed this set very much. Wonderful to keep you occupied and entertained while exercising your mind.

Tons of Sudoku with 4 levels of difficulty! has answer at the end. I do recommend this book!
