Handbook Of Biblical Criticism, Fourth Edition

Synopsis

The fourth edition of this best-selling textbook continues to be a valuable resource for the beginning student in the critical study of the Bible. Thoroughly revised to include the newest methods, recent discoveries, and developments in the field of biblical criticism over the past decade, the Handbook of Biblical Criticism is designed to be a starting point for understanding the vast array of methods, approaches and technical terms employed in this field. Updates in this edition also include an expanded dictionary of terms, phrases, names, and frequently used abbreviations, as well as a bibliography that includes the most up-to-date date publications. The Handbook of Biblical Criticism is a valuable introductory textbook and a reliable guide for pastors, laypersons, and scholars whose expertise lies in other fields.

Customer Reviews

"For a quarter of a century I have consistently used and recommended Soulens' Handbook of Biblical Criticism....Scholars and students alike owe the Soulens great thanks for this most helpful resource." Marion L. Soards, Professor of New Testament Studies, Louisville Presbyterian Theological Seminary

Richard N. Soulen is Professor Emeritus of New Testament Studies at the Virginia Union University School of Theology in Richmond, Virginia. R. Kendall Soulen is ordained in the United Methodist Church and is Professor of Systematic Theology at Wesley Theological Seminary, Washington,

D.C.

Sometimes hard to follow

A very good review of Biblical Criticism, terms conditions and guesswork. A handy reference.

Satisfied!

I saved a lot of money buying Handbook of Biblical Criticism on line. It was a text book requirement--very useful in understanding the vocabulary in this field. It is a good beginners book.

I found it to be very helpful and informative. It has provided a wealth of knowledge to me during this term.

Oh the wonders of 'online' reading. Disappointing and frustrating to find no diagram of biblical interpretation in the Kindle version of this book. One of the many disappointments of the current migration of texts into digital formats.

I am a bible theology student in seminary and this is not worth the price. You might as well get a bible dictionary for half the price and double the information. This is at most a quick reference book with very little definitions. It has no references or sources, only quick definitions. This is not intended for research or study purposes.

This book is handy to have near the desk. IÃƒÂ¢Ã ¬Ã ¢ve used an older addition when Richard Soulen authored alone to great advantage in the past, but this view, fourth edition, now co-authored with R. Kendall Soulen is even better. Pretty much any term you may encounter in scholarly reading that is obscure to you will be explained succinctly in this book. They cover technical terms, names, tools, and interpretive approaches. I noticed this later edition covers even more interpretive approaches from other parts of the world that you especially might not be familiar with. For me, the bookÃƒÂ¢Ã ¬Ã ¢s value is in its quick explanation of terms that I just didnÃƒÂ¢Ã ¬Ã ¢t know. He further helps me in words IÃƒÂ¢Ã ¬Ã ¢m a little fuzzy on or that I hadnÃƒÂ¢Ã ¬Ã ¢t thought about in a long time. Even in words I knew well, it was a help to see their careful explanation in a small compass. In cases where the entry warranted, I noticed

articles that were longer than in the previous edition. The entries cover all the bases. Terms about various types of criticism, special grammatical terms, famous biblical texts, scholars who had a major impact in biblical interpretation, and the latest approaches are all covered. Several entries have helpful bibliographies attached. Again, this is the perfect book to have on hand to grab for that quickly needed explanation while you're in the middle of other study.

I'm glad to have it near and I highly recommend it. I received this book free from the publisher. I was not required to write a positive review. The opinions I have expressed are my own. I am disclosing this in accordance with the Federal Trade Commission's 16 CFR, Part 255.
