Customer Reviews

It's full of useful phrases that are fun to practice each day. Some pages show a short blurb about a German-speaking city. My only quibble is that I wish Saturday and Sunday had their own pages, instead of being combined into one.

I buy this every year for a Christmas present for my father-in-law who loves the German language. I know it's not a surprise anymore but he looks forward to receiving it. Each day has a different phrase and sits nice on a desk, dresser or counter.

I buy this every year for my husband who studies German.

Wish it had more structure to it. It's a saying one day, a colloquialism the next, but not much so far I can just use on a daily basis. Let's see how the rest of the year goes.

I'm trying to learn German, and this is a neat way to learn idioms and as well as new vocabulary/grammer. I like to write on each day's page so it becomes a sort of flash card.

A valued look at the beautiful German Language each day featuring new German words. Great way to learn some German.

This is a fun calendar with daily doses of learning. The phrases are useful and easy to memorize.

Gift for hubby to study my language. He loves it. Tons of useful phrases and words
