Customer Reviews

I thoroughly enjoyed these little stories. I especially appreciate the "clean Regency" designation. I wish all stories had this type of rating. It is no fun to get involved in a story and then have to put up with graphic sex. Thank you, Regina Darcy!

The stories were good clean readable material. They held me enthralled for a couple of days. Thank you for the many stories.

Love romances, that have a little turmoil. Like this writer, descriptions great, and love knowing what's going on in characters minds. Unlike in moves

I love historical romance and Regina Darcy writes some of the best. It is especially enjoyable to read books that do not contain sexual innuendos or even torrid sexual descriptions. Although I am not a prude, I feel it is a waste of space that could be better used. Thank you, Regina, for the great stories.

I've enjoyed this series of stories very much. With so much going on every day it is a blessing to be able to read stories that not only entertain but stimulate a person to want to keep reading and blocking everything else out for awhile. Good romantic stories.

A delightful tale of love and intrigue with an uncanny thrown in for good measure. What poor rogue can withstand this heroine after all.

This collection of stories are set in the time of Dukes. This is the sweetest collection of stories yet. Get some tea and rest a bit.
