Exactly what I wanted - all kinds of views of Venice, where we spent our honeymoon. My wife will enjoy coloring her way through the memories. This book contains a nice variety of simple and quick sketches to the much more elaborate and detailed.

Very nice - designs are a mix of large & very small for a challenge.

Most beautiful picture illustrations of all books I've seen so far.

More than just a coloring book this is a work of art! I have not colored in it as of yet, however I look forward to doing so .

Venice Italy Coloring Book as a gift to an adult friend whose recovering from medical conditions.

She seems to like it a lot as it has wonderful scenes that don't appear to difficult for someone to color relatively quickly. 5 Stars.

Love it
