From The Projects To The Palace: A Rags To Riches To True Riches Story

Synopsis

The author grew up in the Bronx in New York City in the 1960's. His family lived in one of the monstrously tall, low income buildings that look more like a row of prisons than homes. As a teenager his future looked bleak, to say the least. He had a few positive influences in his life, but could not untangle his heart nor satisfy the emptiness within. In the end, find out what did both for him. He managed to come out of the housing projects and become a very successful businessman, but still felt empty. Find out what happened to bring him to the only True Source of true riches and inner peace. Since then he has been able to help others find freedom from their limitations. Today he is influencing people all over the world, making a true difference in their lives.

Customer Reviews

I couldn't put the book down. A humble beginning to continued in Spirit. Rabbi Greg is transparent in His walk with Yeshua and in life. Gave me a renewed appreciation for him and his teachings as well as for all the struggles and blessings in my own life. I laughed and cried reading his story. I hugged my kids, husband and prayed with sincere humility asking Abba to help me understand what I have yet to know and cleanse me of what does not please Him. He answered and I'm making steps closer to Him one day at a time. This book drew me into God's Word and made me see things in my self I did not realize were there praise Yah is all I can say!

The testimony is very good and interesting but it's a shame Greg didn't have a professional writer

working on this with him. It sounds like someone transcribed an audio file of Greg giving his testimony. It is not written as a book, it's more written like a long email of someone telling their story. It's clear no editors were reviewing the entire book because it is so incredibly redundant with phrases like "as I mentioned before" and "etc" (you never see "etc" in a professionally written book!!) Often it seemed as if he's forgotten that he's already told us he was a very successful businessman or that he was raised without a true faith of judaism, or some other aspect of his life he's already told us just a couple of chapters ago. I had a hard time getting through it because of the amateur nature of the writing and had to pretend I was reading a personal email, not a book. God is indeed amazing and wonderful, I don't discredit any of his testimony, but I read a good deal and this just is not up to par with well written books. It's a shame he didn't have more professional help writing it. It could have been compelling and therefore gotten the attention of the audience he was shooting for, which is the unsaved. I can't see too many unsaved Jewish people, especially the well-read, making it through this book, but with God all things are possible!

I loved reading this book! I 'met' Rabbi Greg Hershberg via his video teachings on Messianic Judaism 101. Several friends where we live have come into this movement and it has drawn my husband and my interest immensely! We are Gentile Believers but have grown up in congregations with solid Old Covenant teaching where Jesus is the fulfillment of all the Feasts. We are very aware of His Jewishness and acknowledge we are the 'grafted-in ones to the Root! Our friends are captivated with learning Hebrew and all the accompanying traditions. These intrigue us very much but we are becoming aware that perhaps what God is doing in us is to be those who will live in ways that "will arouse (provoke) a jealousy" in His beloved people to know Him whom they pierced. I am so grateful for Rabbi Greg sense of humor, his complete honesty and inclusive spirit in teaching the secrets of my Lord! Learning these things creates a deeper hunger and thirst for fulfilling what I call my life verse..."that I may know Him , and the power of His resurrection and the fellowship of His sufferings..." Thank you so much...and yes, I will pass this book on to every one is know!

Enjoyed reading about Rabbi Hershbergs story. Discovered him on YouTube and truly enjoy watching and learning from him. Looking forward to his next book and more Shabbat services. Of course when you read this book you have to do it with a New York Jewish accent.

ÃfÃ Å Å,Ã ÆœÃ â

Since this is my Rabbi, I wanted to learn more about him and his life. After reading this I not only

learned more about him and his commitment to and his love of Jesus, but I learned more about the love of my Father God. The ways that God set things in motion for him throughout his life is wonderful. You see God's plan unfold right before your eyes. This is a testimony of a man's obedience to God that needs to be read as it will reinforce in you how much God is looking after you and loving you.

Finished book in one day. I could not put it down. I listen to Rabbi Greg every Shabbat before and after I attend Shabbat services with a Messianic Congregation of Jews and Non-Jews in Birmingham, AL. I am so humbled and often cry tears of Joy that I have been born for such a time as this.....Jew and Gentile, ONE in Messiah.BARUCH HaSHEM

Can't express how much this short book fed my soul. Greg's story is touching and really reaches out to believers who want more than just the modern day church life. The ones who seek TRUTH. My family and I love him because he is real and doesn't compromise God's word. Awesome book to say the least!

I especially like this because he's my online pastor in Macon Ga. I live in Florida and there's no better teacher than Rabbi Greg. I'm protestant but I love the truth and this is the only place to get it. Book arrived in perfect condition for a used one. Fast shipping too.
