Jonah In The Whale's Belly

Synopsis

You have probably always imagined the story of Jonah and the Whale and now you can truly see it in a wonderful new way as if it were photographed centuries ago! Nancy Hamilton Myers has created a great new version of the story incorporating graphics and photos that make the reader feel like they were there experiencing on the trials and tribulations that Jonah went through! Enjoy this wonderful book and share it with your family. This is a great story that teaches us to not disobey God and that what he has in store for us is beyond imagination. You will love this story shown in a new and different light!

Customer Reviews

I thought this might be a cute book to use for our children's sermon during worship. I found the pictures to be weird and was unhappy with the book. Was "Jonah" a family relative who wanted to be in the book??

We loved the exciting photos that made the timeless story of Jonah come to life. Our children really like this retelling with its photographic illustrations.
