I don't usually write reviews on here, but felt compelled to on this little book. A real page turner, I absolutely loved it and enjoyed it. Although none of us know the real story behind Philemon and Onesimus, this story really brings it to life in a wonderfully imaginative way! All the while fully honoring God, His Word, and Christ throughout. Highly recommend it. You'll not be disappointed.

This is a great living history book for students covering the early church or Asia Minor.

Loved the book myself. Tried to get a young teen to read it. But it was too deep for him. A little too complicated perhaps for a young person who is not a Bible scholar. My daughter who is a Bible scholar did enjoy it.

Especially for young boys. I truly enjoyed reading it as a young man, and have made it required reading for my son. I can not prove it, and no one else can prove it, but I feel this is an accurate rendition of Onesimus' life. That's my opinion and I'm sticking to it! :0)

Was a school assignment for my son.

all good
