Critical Race Theory: The Key Writings That Formed The Movement

Synopsis

In the past few years, a new generation of progressive intellectuals has dramatically transformed how law, race, and racial power are understood and discussed in America. Questioning the old assumptions of both liberals and conservatives with respect to the goals and the means of traditional civil rights reform, critical race theorists have presented new paradigms for understanding racial injustice and new ways of seeing the links between race, gender, sexual orientation, and class. This reader, edited by the principal founders and leading theoreticians of the critical race theory movement, gathers together for the first time the movement's most important essays.

Book Information

Paperback: 528 pages

Publisher: The New Press (May 1, 1996)

Customer Reviews

"As of the publication of Critical Race Theory it will be unwise, if not impossible, to do any serious work on race without referencing this splendid collection." — Toni Morrison
"A fundamental reference guide to any serious work on race." — Amsterdam News
"Critical Race Theory is a compilation of provocative writings that challenges us to consider the relationship between race, the legal system, and society at large." — Senator Bill Bradley

Kimberly Crenshaw is a professor of law at UCLA and Columbia School of Law in New York. Neil Gotanda is a professor of law at Western State University College of Law in Fullerton, California. Gary Peller is a professor of law at Georgetown Law Center in Washington, D.C. Kendall Thomas is a professor of law at Columbia School of Law in New York.

If you are interested in Critical Race Theory and Critical Legal Studies this anthology is very helpful. There are some seminal essays in here beyond Bell's.

Many important pieces by critical race theorists. While many of them are challenging, they are well worth the time to read and process.

exactly what i needed for class; arrived in great shape

the history of race in this country and how it continues to play today. It is hard to believe individuals want to ignore the obvious

It is exactly as advertised: intersectional feminists rejoice! Easy to read and follow.

Very good overview of CRT!

Good sampling of essays.

I love it!
