Customer Reviews

This book was great for my preschoolers

I was shocked at the faces in the book that she knew as well as some that I did not know. It opened a new set of possibilities for my little one as well as my older kids to explore.

Donated this book to my first grader's class for Black History Month. The teacher loved the encouragement it gave the kids and historical value.

This is a marvelous book; one of the best I've seen re. presenting positive and powerful lives to little ones.....

Great book! We need more affirming books about African Americans.

My son loved reading this and finding out more about other African Americans and their accomplishments.

Can't wait for my daughter to be old enough to enjoy

Perfect book for my nephew.
