## Customer Reviews

Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Great variety of songs with nice, simple chords for beginners. And I like that the chords are shown in picture diagram form as well as with the letter names of the chords.

I bought this as a gift for a teenager and was happy with the quality of materials and printing!

Needs strumming patterns

Not really doing I like so much

Nice range of songs

First 50 Songs for Ukulele should be entitled First 50 Songs for Guitar. The chords are fine (of course!), but the melody notation is for guitar; i.e. the scale is not for a four string ukulele. How are you going to play melody when the notes indicated are lower than the ukulele scale? If you play ukulele, you should at least look for tab notation, unless you are skilled enough to read music. Very disappointed--this book is going back.

Loved it! I knew almost every song!

So many song choices! I'm excited to learn to play these songs & happy about the big variety of song choices.
