The Authentic Cuba Travel Guide: (Cuba Guidebook Updated Jan 2017)

Synopsis

For Everything the Other Cuba Guidebooks Don't Tell You! Updated January 2017 with information on US Travelers to Cuba + How to Get a Visa! In this extensive Cuba guidebook, professional travel writers Christine Williams and Julian Hatfield (from the travel blog Don't Forget To Move) walk you through all the ins and outs of traveling to Cuba. The author's passion for Cuba shines through in this vibrant, informative and honest guide to one of the hottest travel destinations in the world! This Cuba guidebook is the perfect compliment to a Lonely Planet or Rough Guide that offers more traditional advice on destinations. From practical tips like understanding how to get a tourist visa and what to do if you get sick, to in depth guides for finding unique, non-touristy experiences: this book is your ticket to seeing an authentic side of Cuba that most tourists miss out on. The Authentic Cuba Travel Guide paints a rich picture of this colorful country, through entertaining anecdotes and unique tips that you won't find in any other Cuba guidebook. If you're looking for authentic Cuba travel, this guidebook will make your planning easier, save you hundreds and ensure a memorable trip! Inside The Authentic Cuba Travel Guide: Getting a tourist visa to Cuba (including US citizens and those flying from the US) How to stay safe in Cuba and avoid getting scammed Budgeting for Cuba: From backpacker to midrange to high end Tips for traveling as a couple, solo female and solo male The top 10 Cuba travel hacks, from packing your bags, to understanding cultural norms A list of the absolute must do authentic Cuba experiences What to do if you get sick (a real story on getting Dengue Fever!) How to find the best and most reliable Internet The Ultimate Havana Walking Map, a list of the top 20 places to experience authentic Cuban life Information on food, accommodation, transport and much more! If you're planning a trip to this unique Caribbean country, then The Authentic Cuba Travel Guide has it all! With over 120 pages of useful travel advice, from trusted Cuba professionals, you'll be traveling like a pro in no time!

Customer Reviews

This is a wonderful book full of helpful advice on how to visit a country that is still among the most difficult for an American to visit. The door to US tourism is no longer closed, but it isn't completely open either. There are many complications. One big one is their two-tier system of money, with one "low" currency for the natives and another more expensive currency reserved for foreigners. Credit cards and US ATM cards do not work there, and dollars are assessed a 10% overage in addition to the usual brokerage fees. It is not easy to visit Cuba under any circumstance, but it is especially challenging to visit and to see the "real Cuba." Cuban government censorship, surveillance, and government sanctioned tour companies are working, inadvertently with US Government restrictions, to extract a significant amount of your dollars without showing you very much--if any--of the real country and its people. And, if you're going to go to all the trouble to go there, don't you want to have an authentic experience? Ms. Williams and Mr. Hatfield have provided a significant supplement to the more standard travel offerings available in book and on the web. The suggested walking tour of Havana outside the tourist zone is probably alone worth the price of the Kindle version.

Fabulous resource to have before our trip! The authors were so helpful when I reached out about the Walking Guide, and were kind enough to send me a pdf copy so that I could print it before my trip! I would recommend this book to anyone planning a trip to Cuba!

This was an ok guide. For the price I really can't complain much.

Christine and Julian do a wonderful job of selling the fun journey of their trips to Cuba in easy to

read page turner. Their joy and love of the Cuban people and the experiences they had over there are easy to see. I particularly enjoyed the fact they realized that their readers may not be in a couple, but rather going the solo route, and so had a guest writer share their solo experience in this guide. I also found the scam portion to be a fun read as well. If you are looking for a guide that will give you the general tips of what to expect, what some fun things to do are, and good tips on what to do when visiting Cuba, feel confident in picking this guide as you will love it! I really hope Christine and Julian are able to do similar type guide for other locales as well!

Unique perspective on Cuba that you won't get from another book. For super specific details, I would recommend complimenting this book with a Lonely Planet or another big name, but for a good insight into local Cuba this is awesome and really made a difference for my trip.

If you're thinking about a trip to Cuba, I highly recommend this terrific guide. It's unique in that it provides both practical information for visitors, like visa requirements and the various sights, as well as where to explore the less touristy parts of Cuba and how to interact with the locals. A must-have for any traveler looking for the authentic Cuban experience!

Great insight as to what to expect and what to look out for. I felt prepared when I went to Cuba last month. Thanks to the authors for writing such a great guide to Cuba and in such a quick and easy read.

Very useful. Thank you!
