Kitty, My Rib: The Heartwarming Story Of A Woman Of Courage And Devotion

Synopsis

Katherine Luther or "Kitty" was the woman behind the great man Martin Luther. Kitty mellowed Luther's harsher side, kept the household from bankruptcy despite her husband's generosity and enhanced his life with the joys and fullness of family living.

Customer Reviews

A nicely written book capturing the time and space in which Katharina lived. This book made it seem so real I had to gasp a number of times feeling the hardships they all suffered as they tried to bring the church into a relationship with God. Life surely was hard in that age. I would recommend this book to anyone who would like to get a good feeling of the beginnings of the Reformation.

this is a romantic fiction that tends to follow the historical records of that period of reformation that deals with Kitty's life and the ministry to Martin Luther, her family, and all who came under the roof of the first Protestant parsonage. In many ways, up to recently Kitty's life and labors parallels the life and labors of ministers wives for the next 450 years.

I was looking for a book to better understand Luther and his wife Kitty. I found it in this book. Highly recommend this book to anyone who wants to explore the lutheran faith from a womens perspective.

What a love story from the 16th century. The love between Dr. Martin Luther and his wife, Kitty, helped me write a one man play on Dr. Martin Luther.

A strong woman!

This is an easy-to-read biography of Mrs. Luther. I enjoyed it so much that I gave a copy to my sister. It would be a great book for a Middle or High School student to read. It would also make a great family read aloud!

My Mother had this book and I read it many times in the 60's when I was in Jr hi and Sr hi school. I was very happy to see it on for my Kindle.

Katharina becomes a real person as one reads about her struggles. What a witness!! can hardly wait to meet her in Heaven.
