Good. I am glad you are still putting your gift to godd use, MinecrafTales. I REALLY like your books!! By the way,can you only get these as e-books? If that is true, you should really think about making them actual books. I'm sure other people WITHOUT Kindles would love to read these, too.-infourai17

This is a really great book. I loved the part where steve Teh ultimate nooby noob of a noob out of all nooby noobs who are nooblike noobs on the nooblist of total noobs at not being noobs talks about his new photo on his diary.

This is the best book that I enjoyed so far. I hope that you carry on your amazing talent at describing everything in absolute detail. I almost believdd tht it had actually happened. AWESOME BOOK DUDE!!!!!!
