Reliable, readable Rough Guides * Conde Nast Traveller *

Very helpful and easy to navigate

This book is perfect for my style of travel. Not staying in hostels or in Hilton's but in between. Lots of

choices! I have several other Panama guide books on my Kindle but ordered this in paper so I can look at on a street corner without exposing my expensive electronics for thieves to target. Great maps!

Very useful

Great read! Good information.

A lots of good information but the print is a little small.

During a 3week trip to Panama, we repeatedly used this guide to make our way around the country on a budget. Well written.
