McDougal Littell Discovering French Nouveau: Student Edition Level 1 2007 (French

i teach french to junior high-high school students privately and this book is a great resource (with its companion workbook). it's different from other books like (bon voyage) in that it introduces verbs much later on (which is better or worse for students w/ different learning styles) and focuses on learning phrases and vocabulary. overall, i would recommend this book (+ to use it with its online resources -- review quizzes and online activities -- and workbook).

I did not realize that I would be unable to access teacher resources on the Classzone web site because I bought the student edition and didn't receive a teacher access code. Very disappointing. I hope to be able to return the book for a teacher edition.

This textbook is amazing for learning French!

French text that accompanies a workbook and audio guide. All three are necessary parts together to

give the full French course experience.

Very good teaching book.

Super product and fast delivery.

good for learning

Huge help for a 7th grader starting French 1.
