Burr's Entertainment Law In A Nutshell, 3d

Synopsis

This compact reference gives a big picture overview of the intellectual property, contract, publicity, estate planning, and First Amendment issues that contribute to the field of entertainment law. Professor Burr also addresses specific legal issues that arise in the film, music, and television industries, including discussion of the rise of “reality” television. This Nutshell is ideal as a secondary text to accompany any entertainment law casebook, as the primary text for a seminar, or as background information for someone requiring an overview.

Customer Reviews

Decent overview. Extremely simplistic at times but (hopefully) covers the basics, as it is designed to.

Excellent overview of the legal issues facing entertainment industry. Although it was written primarily for lawyers, I found it very helpful as a industry executive.

Great handbook for understanding basic concepts of the entertainment industry.

Seems to fit the bill. There aren't many entertainment law books out there. I bought it for my daughter, who is wanting to enter this area of law practice.
