Kingdom Marriage: Connecting God's Purpose With Your Pleasure

Synopsis

What happens when a kingdom man marries a kingdom woman? *Kingdom Marriage: Connecting God's Purpose with Your Pleasure* helps couples grow together as a kingdom couple to fulfill God's design and purpose for their marriage. Through practical insights and powerful stories, Dr. Tony Evans inspires and instructs so couples will discover the hope, challenge, and guidance God's Word provides for their journey together. "You can reflect the glory of God and the unity of the Trinity through your shared purpose, honor, and love as a true kingdom couple." • *Kingdom Marriage* shows couples that the key to influencing our society and world with lasting impact is found in solidifying biblical marriage in the way God intended. It starts with both wife and husband reflecting God and His image and modeling that reflection within the roles and responsibilities of their union. This is based on a correct understanding of God's kingdom and their responsibilities in it. *Kingdom Marriage* and the *Kingdom Marriage* devotional and video resources are part of an entire line of Kingdom products by Tony Evans, including *Kingdom Man*, *Kingdom Woman*, *Raising Kingdom Kids*, and the *Kingdom Quest* strategy guides for kids and teens.

I'm almost done reading this book. It is an eye opener in how we need to live our life and treat our spouse. It's an easy read, and I've gained some really good insight with this book and hope to do this as a small group study.

Tony hits a home run with this book. My wife and I have re-aligned our roles in marriage because of this insightful read! Biblical advice that transcends worldly advice to be selfish and only care about my happiness. This book will save many marriages!!

If you know Dr. Evans... enough said. If you want to get your marriage right...meaning getting you right and aligned with His word, this is a MUST HAVE!

As Always Tony Evans keeping us in line !

Great content, but the reader on this audio cd drives me nuts...lol! I can hardly listen to it, to be honest. I'm not sure who chooses readers, but this was not the best choice for this book , in my opinion. The transaction was great.

Excellent book! I have read quite a few books about marriage but not as helpful as this book. This book tells you how you can reconnect with your spouse and gives Godly advice. I love this book!

Great book from an outstanding pastor and author. It provides substantive info that is relevant in any marriage. It lays out God's design for marriage. Has helped save my marriage by giving us the blueprint and God's game plan for marriage. Well worth it for any marriage.

Good words but a slow read.
