Flutter: The Story Of Four Sisters And An Incredible Journey

Synopsis

A beautiful debut novel for fans of *The Penderwicks* Big things are about to happen at Maple's house. Mama's going to have a baby, which means now there will be four Riddle sisters instead of just three. But when baby Lily is born too early and can't come home from the hospital, Maple knows it's up to her to save her sister. So she and sister Dawn, armed with a map and some leftover dinner, head off down a river and up a mountain to find the Wise Woman, who guards a pool with miraculous powers. But the dangers Maple and Dawn encounter on their journey make them realize a thing or two about miracles--and about each other.

A heartfelt tale of familial love, with just a touch of magic. --*Publishers Weekly* A page-turner of a survival story--*School Library Journal* Moulton is an author to watch--*Booklist* "Moulton is an author to watch, and her debut novel will appeal to girls Maple's age who prefer action to character realism." --*Booklist* "Moulton's charming debut explores the challenges and rewards of sisterhood." Erin E. Moulton has an MFA in writing for children and young adults from the Vermont College of Fine Arts. She lives in New Hampshire with her husband and their dog.

I purchased this book based on a recommendation that it was a good student read for fourth graders. I was not disappointed. Even though the main characters were female, I think the story is strong enough to appeal to boys and girls alike. I will be passing on the recommendation to my colleagues.

Outstanding!

Very nice book for the 4th grader to read, she had this on her Christmas list and was so happy to get it. Came recommended by her 4th grade advanced literature teacher. Great for any young reader boy or girl!

I can't wait to read this aloud to my fifth graders this upcoming school year! They will be able to learn so much from the Riddle girls.

This story will move your heart. If it doesn't, well, you just don't have one. I plan to get a copy for my sister and two mutual close friends of ours who we have been close to since childhood. I highly recommend this book, just be prepared to be teary-eyed.
