very recommend . arrive on time. my family need to change a new one , helpful. arrived on time, nice package, really like the product very sharp well balanced, good heft enjoyed using it very much

A decent guide book, now a bit dated. Not as interesting as the D-K Eyewitness series, but the site descriptions are useful. The city maps are weak, showing only a few street names. May be better if you already know the Netherlands, but not enough for the first-time visitor.
