Customer Reviews

Bought this for my boyfriend who is leaving to go work in Saudi Arabia. We looked high and low for a good travel info guide for him and this one was by far the best. He is very happy with it!

Good but rather old. Still useful.

Needed cultural info on Saudi Arabia for a project at work and found lots of useful info, especially the resources in the appendices. Highly recommend!

Extremely useful advice throughout the entire book for anyone planning on living in the Gulf States. Will be my 'bible' for when I get there. Highly recommended for anyone planning on living and working in this region.

Don't remember.
