The visionary historical work of professor, historian, and activist HOWARD ZINN (1922-2010) is widely considered one of the most important and influential of our era. In his books, including the legendary best-selling *A People's History of the United States* and numerous other titles, Zinn affirms the power of the people to influence the course of events. ANTHONY ARNOVE is the author of *Iraq: The Logic of Withdrawal*, editor of *Iraq Under Siege* and *The Essential Chomsky*, and coauthor, with Howard Zinn, of *Voices of A People's History of the United States and Terrorism and War*.

EXCELLENT CONDITION!!! Thanks

My daughter is using it for school. Thank you :)

needed for a class

Receive it in good quality. Nothing seems missing from it . Hopefully I enjoy it. Purchased it for school work but I am a big reader so I'll end up reading it full.

Neat to read the people's stories - that's where the real history is.

Wonderful reference book. Delicious nectar for the grass roots This should required reading in schools and colleges.

It took me a few months to finish this book. Some stories were very graphic and it took a few days for me to overcome those stories. Incredible library of speeches, letters and documented historical events. Before you vote in 2016 please read this compilation of history.

Worked out great for my class
