## Customer Reviews

I like this Air Fryer cookbook not only because of those great recipes but also because ingredients are easy to find. Its important in cooking that you have all the ingredients you need to make your foods more flavorful. And Air Fryer will be your partner in making delicious and healthy meals. This book also specify all the basic parts of Air fryer for proper use.

Fried meals are really delicious, but these meals contain high amount of oil and we can gain weight easily. Air fryer is a new device that can let you fry without oil, just fry by air and you will get delicious fried chicken, nuggets, potatoes, onion rings ect. This book covers all this information plus you will find a great amount of delicious meals that you can prepare with you air fryer! If you want to give a delicious meal to your family this book is really for you!

I have purchased a beginners guide for Air Fryer some time ago. Only positive comments about the previous book: number of serves and nutrition info - all there!The advanced book is also good. Recipes are indeed not so common to find and are well explained. I think it's suitable for beginners too.

This book is exactly what I have been looking for.the recipes are phenomenal.The ingredients are really easy to find. I love the way the book was written and i definitely recommend it for everyone!!!

When I buy I am so excited to read, this book. Now I have completed and I fell all recipes are awesome . it changes my cooking lifestyle. Thanks for the bookThank You

I like this book because this book has lots of great recipes that are simple, healthy and quite delicious. I always choose healthy and yet tasty food, that's why I bought this book to help me out made a tasteful food for the entire family. In this book you will discover new and somewhat familiar recipes to get you inspired and cooking.Will definitely recommend this book.

Super recipes. If you don't have an air fryer you are missing out on one of the best inventions ever. This book is full of amazing food to make. They are all really easy to make with easy to find ingredients. Glad I found it for a very cheap price.
