The Musical Wheels On The Bus (Rub A Dub Tub Musical Books)

Synopsis

The Musical Wheels on the Bus Everything is easier to learn with a little music--including basic vocabulary and the sensory experience of riding on a city bus. Press the sun on the cover and the melody module to the song "Wheels on the Bus" plays. Sing along on each page as the driver asks you to "move on back", the wipers go "swish, swish", the horn goes "beep, beep" and that baby goes "WAAH! WAAH!" We're all grateful for the mother who goes "Shh, Shh". The book has charming illustrations by Janice Castiglione. It is also totally waterproof and can be taken into the bathtub or swimming pool or just washed by hand after a long day of exploring on the bus.

This is a fun book. We had it about 6 months before the sound stopped working. But we still read it. I love all of the bath books.
