## Customer Reviews

Love all of Helen Van wyk books. She paints so beautifully and makes it look so easy. Good instructions on mixing of colors and structure of flowers

Wasn't very helpful

I bought this as a gift for my sister. She likes it very much, it arrived more quickly than expected, and was in great condition. There was a dedication to someone written in the front leaf, but the rest of the book was perfect.

Meet expectations and more.love this

The best of its kind. I loved everything about this product. Writing this review is extremely stupid and time consuming.
