The Grace Mysteries: Assassin & Betrayal

Synopsis

Two historical mysteries—starring Lady Grace—in one special volume! In the Edgar-nominated *Assassin*, one suitor is dead with a knife in his back and another is under suspicion. . . Can Lady Grace, Queen Elizabeth's favorite Maid of Honor, solve the mystery and bring order back to the Queen's court? And in *Betrayal*, life as a stowaway on board an Elizabethan galleon—it's no place for a lady! But when her fellow Maid of Honor disappears with a dashing sea captain, Lady Grace knows she just has to investigate.

Customer Reviews

LADY GRACE CAVENDISH was a Maid of Honour at the court of Queen Elizabeth. She became a ward of the court after both her parents were tragically killed in the service of the Queen. This daybooke marks her debut in the world of writing.

I am eight and I love Lady Grace mysteries because they tell me about Tudor times and they have really exciting stories. And the characters are interesting; and Lady Grace has a very good sense of humour! *Assassin* is my favourite so far because it has lots of mystery and you don't know the truth

until the end. I like the horse, Borrage, in Conspiracy; he's strange!

The Lady Grace books have always been a personal favorite of mine, so when I found out that the series was available as a kindle fire ebook, I was thrilled! These books are soooooo easy to read on my kindle!! I would recommend these books to anyone who likes adventure and mystery (and a good laugh)!!!!

Interesting, quick read. I enjoyed the storyline and the characters. Not a lot of depth. An easy read for younger readers as well.

its definitely a good read creative and fun.

I love this series of books. They are both entertaining and educational. I can highly recommend them to any age group and hope everyone loves them as much as i have. I have read Assassin-Loot...still am waiting for M-z to be written. The multiple authors have managed well to keep a consistent theme through the books..and the Lady Pursuivant, Lady Grace is a really likeable character. It is obvious the writers mostly are educated in medieval history. It's a shame these books aren't more widely known. Lady Grace is God Daughter to Elizabeth the 1st., and the books cover a period from 1569-1570. She is beloved by the Queen, and becomes her Lady Pursuivant, helping expose those who would trouble the Queen's peace or try to harm her. Grace's mother was Lady-in-waiting to the Queen, but was poisoned accidentally. Please read these books. They are worth every penny!

I loved this book because it was romantic and funny and awesome and totally the best book ever written and I mean ever!

This volume contains the first two Lady Grace Mysteries. AssassinLady Grace is a maid-of-honor to Queen Elizabeth I. The queen, who is also Grace's godmother, has picked out three suitors for Grace and has kindly allowed Grace to pick the one she wants to marry when she turns sixteen. However, later that night, one of Grace's rejected suitors is found murdered and all the evidence points to her betrothed. Grace sets out to clear his name, digging out all kinds of secrets, plots, and intrigue in the royal court. BetrayalWhen Lady Sarah, one of Lady Grace's fellow Maids-of-Honor, is kidnapped, she secretly sets out in disguise to rescue her before her reputation is ruined. Grace

stows away on a ship with her friend Masou, but when they are discovered by the ship's crew, they are put to work on the ship. Grace has to find and rescue Sarah without revealing her identity or it will be her reputation destroyed.

I didn't realize that this book was geared more toward a teenage point of view rather than an adults perspective. It was hard for me to understand the wording of different things in the life of a lady in waiting. The main character was strong in her beliefs about right and wrong, but I think she was too young to be unsupervised.
