The Monsters On The Bus (Sesame Street) (Little Golden Book)

Synopsis

The Wheels on the Bus, a perennial favorite of the toddler set, gets a uniquely Sesame Street spin in this very funny Little Golden Book. Elmo, Grover, and Cookie Monster board a bus and meet some wacky passengers, including a furball with a boombox, frogs, cows, a brass band, and a family of yipping Martians. The sound effects in the chorus reflect the voices and activities of the passengers in a way that will have little ones and adults laughing out loud as they join in the song.

Reading is one of the most important skills a child will ever learn. When you read to children, you are sharing an experience that prepares them to learn to read. Jellybean Books have been written especially to be read aloud to toddlers and preschoolers aged 3-5 years old. Every book is lively, colorful, filled with fabulous characters, and priced to please. --This text refers to an out of print or unavailable edition of this title.

This is a cute book. It is pretty much the 'Wheels on the Bus' song in a book. It has a Sesame Street tilt, with one of the lines being 'Coo-ooo-kie, coo-ooo-kie'. There are wipers going 'swish swish swish', babies going 'wah wah wah', parents going 'shh shh shh'. There are some other ones like the band playing 'Umm paa paa' and the grouches going 'bam bam bam' with trash can lids. My kids seem to enjoy it and have asked for it a lot. As long as you know what you are getting and want a book version of Wheels on the Bus, you are going to be pleased. A hopefully, for your kids sake, you sing better than me. :-)

Great BUT be aware if you are an Elmo fan - despite being pictured on the cover, Elmo is NOT in this book! Still one of our favorites. Our daughter loves the clever variations of one of her favorite songs, which have now become part of the verses we sing even when not reading the book.

This is one of those books that is purposely annoying. I love it, and my 6 year old loves it too. Basically there is a normal guy trying to ride a bus and all of these monsters and animals are riding on it too, and they are super annoying. Cows are mooing, aliens are yipping, monsters are playing instruments, etc. It is a really funny book and the artwork is great. A must have for anyone that loves Sesame Street or Golden Books.

Perfect gift for a 4 Year Old to start to learn to enjoy reading.

Cute book!!! Remember the muppet who always gets frustrated because waiter Grover always messes up his order? Well this book is about his experience on the bus with a spitting up baby monster, a cookie munching cookie monster, a loud boom box, can banging grouches, an oompapa band, aliens and more! Finally he exclaims 'whay kind of bus is this? I'm getting off at the next stop!' He then hails a taxi, can you guess who the taxi driver is? My kids and I really enjoyed this book!

Very fun and entertaining to read! Our 3 years old loves this book! It is highly recommended to children.

Lovely happy book . My grandson reads it over and over.

Thought this would be about monsters on the bus, not the song about the wheels on the bus monster style. Kinda disappointing.
