One Pot: 120+ Easy Meals From Your Skillet, Slow Cooker, Stockpot, And More

Synopsis

NEW YORK TIMES BESTSELLER Using just one pan, you can stew, steam, sauté, simmer, braise, or roast your way to a fuss-free meal—and minimal cleanup to boot. At the end of a busy day, you want to serve a delicious home-cooked dinner, a complete, all-in-one meal that can be prepared with little effort and few pans to wash. The editors of Martha Stewart Living present a brand-new collection of 120 recipes—organized by vessel—to help you do just that, all while adding savory new dishes to your weekly rotation. One Pot is an exciting new way to approach everyday cooking: Imagine perfect pasta dishes for which everything goes in the pot at once (yes, that's pasta, tomato, garlic, basil, and water all cooked together), dinner-party ready roasts with tender vegetables, and down-home casseroles, along with wholesome fish, chicken, and vegetarian dishes. You'll get incredible flavor payoff from dishes such as comforting Chicken and Dumplings, easy Baked Risotto with Carrots and Squash, healthy Broiled Striped Bass with Tomatoes, hearty Pork Chops with Bacon and Cabbage, and the delectable Skillet Chocolate-Chip Cookie—each of which takes less than an hour from start to finish. Here, too, are a dozen outstanding recipes for surprising and simple desserts that can be ready when you are. With chapters devoted to your essential cooking vessels—stockpot, skillet, slow cooker, and more—this book is sure to streamline your meals and to satisfy the people you share them with. Recipes include:

- DUTCH OVEN: Beef Stew with Noodles, Chicken and Dumplings, Baked Risotto, Texas Red Chili, Cajun Stew
- SLOW COOKER: Pulled Pork, Corned Beef and Cabbage, Classic Pot Roast, Lamb Shanks and Potatoes, Garlic Chicken with Barley
- SKILLET & SAUTÉ PAN: Spinach Pie, Poached Cod with Tomatoes, Three-Cheese Lasagna, Macaroni and Cheese, Stir-Fried Chicken with Bok Choy
- ROASTING PAN & BAKING DISH: Rib-Eye with Root Vegetables, Roast Chicken with Herb Butter, Salmon with Kale, Roast Beef with Acorn Squash, Tuscan Pork Roast
- PRESSURE COOKER: Short Ribs with Potato-Carrot Mash, Kale and White Bean Soup, Chicken Cacciatore; Easy Chickpea Curry, Beef Stroganoff
- STOCKPOT: Classic Chicken Soup, Split Pea Soup, Gemelli with Pesto and Potatoes, Corn and Shrimp Chowder, Pasta with Farm-Stand Vegetables
- DESSERTS: Peach Crumble, Skillet Chocolate-Chip Cookie, Baked Blackberry Custard, Raspberry Sorbet, Molten Chocolate Cupcakes

For more than twenty years, the food editors and chefs in the kitchens of MARTHA STEWART LIVING have been producing bestselling cookbooks, including *Martha Stewart's Cakes*, *Meatless*, *Martha Stewart's New Pies and Tarts*, and *Power Foods*.
MARTHA STEWART is America's most trusted lifestyle expert and teacher and the author of more than eighty books on cooking, entertaining, crafts, homekeeping, gardens, weddings, and decorating.

I have to admit that I am a little obsessed with all the various one pot styles of cooking. Starting probably way (way!) back in college, when I literally had only one pot to cook in, I made an infinite varieties of what came to be known as "stoop" (ie not quite stew, not quite soup). Now, thankfully, while I can afford more than one pot to cook in, I still am partial to only using one for a meal. Maybe it is the comfort of all that goodness cooking together, or maybe I am just too lazy to do a lot of cleaning up after dinner. Either way, needless to say, I have a lot of practice in this cooking method. I will start off by saying that *One Pot: 120+ Easy Meals* is a worthwhile addition to my somewhat overburdened and sagging cookbook shelf. While my all time favorite I think will continue to be my handful of tagine recipes given to me decades ago by a family friend, or the timeless and always wonderful *The Clay Pot Cookbook*, *One Pot* gives some really nice approaches in a variety of styles that are accessible to almost any level of expertise in the kitchen. Since being given *One Pot*, I

have worked my way through several dozen of the recipes (did I mention I really like one pot recipes? lol). Most were just about dead-on as recipes go. The Kale and Tuscan Bean Soup was a particular favorite for my husband, who is not usually one for either anything Tuscan nor bean- (he has had an anti-Tuscan bias since I made him watch *The English Patient*, and the bean problem, well, you know..) The Mac and cheese varieties (yes, tried all of them!), were of course universally loved by my grandson and his friends, and the adults did not exactly shy away from it either. I was a little less crazy about the Beef Stroganoff, but it was a reasonable foundation that I felt just required some doctoring from the spice cabinet. Your taste of course will vary from mine in assessing individual recipes, but as always you will need to adjust spices and flavors to suit your own preferences. All in all, *One Pot* is a very good introduction to the art of one pot cooking (and thus one-pot clean up!). If you have not worked with a pressure cooker before, here is a nice opportunity to try one out (buy a newer model, they are so much more safe than the old ones we used to use!). Likewise having a good roasting pan will make your efforts so much more pleasant for entertaining or just filling your house with wonderful aromas and good healthy foods. I have probably rambled long enough about this now. I have a new Korean stone bowl that just arrived, and I have a date with some hot pot recipes!

Let me begin this review by saying that I have four recipes from *One Pot*: Salmon with Kale and Cabbage, Baked Rice with Sausage and Broccoli Rabe, Pork Chops with Cabbage and Bacon, and Sausage with Acorn Squash and Onions. They have all been very good, the pork chop recipe was incredible. *One Pot* is divided into 7 sections: Dutch Oven, Skillet and Saute Pan, Slow Cooker, Roasting Pan and Baking Dish, Pressure Cooker, Stockpot and Saucepan, and Desserts. I like this method of organization because I frequently choose or look for recipes based on the technique or equipment that I am wanting to use. Each section opens with a small introduction to the equipment used. For example in the Dutch Oven Section, it goes into materials used in their construction and ideal size. I have marked practically the entire book to try, but here are three from each section to give an idea of the scope of the recipes (plus they are all recipes that sound good to me!) Dutch Oven: Chicken and Dumplings, Carnitas Tacos, and Pork Stew with Potatoes and Rosemary. Skillet and Saute Pan: Shrimp with Tomatoes and Orzo, Mushroom Cheddar Frittata, and Skillet Macaroni with Bacon and Gouda. Slow Cooker: Garlic Chicken with Barley, Pot Roast with Sweet Potato and Prunes, and Spiced Chicken Stew with Carrots. Roasting Pan and Baking Dish: Spatchcocked Chicken with Herbs and Lemon, Spiced Cod with Couscous, and Mexican Style Lasagna. Pressure cooker: Beef Barley and Vegetable Stew, Risotto with Mushrooms and Thyme, and Irish Beef Stew

with Stout. Stockpot and Saucepan: Warm Quinoa and Chicken Salad, Sweet Potato and Sausage Soup, and Pasta with Farm-Stand Vegetables. Desserts: Rustic Apple Tart, No-Churn Coffee Chocolate-Chip Ice Cream, and Fruit Skillet Cake. This is a cookbook that anyone can use day after day. These are simple, easy meals. Easy enough for weeknights, but filled with enough flavor for the weekends! I have over 200 cookbooks and this will definitely be at the top as one of my most used.

I use this almost every night! I let my toddler pick out a picture & we make it (together as much as possible.) Having things in one pot usually ensures that it's fairly easy and usually encompasses all food groups. This book has been my savior for cooking dinners that include a toddler! Our favorites include Whole Poached Chicken with Asian Flavors, Chicken & Quinoa Salad, Sausage with Acorn Squash & Onions (bonus: can do it on the grill!), & Chicken with Sautéed Mushrooms.

Great little book for those days, kind of like Sunday, where you have been busy either shopping or going to church and need a supper that is easy and filling. I would recommend this for all those who like Martha's flavors and style of cooking.

I've already made several of the dishes--so yummy. My mom came to help out after I had my baby and made 2 of the recipes, and loved them, as well. She is a picky eater and was worried about the amount of ginger in the recipe, but really liked it (I love ginger, and added more ginger the next time I made it). These recipes are fairly easy, not a lot of ingredients for most, and seem sophisticated. A great cookbook to add to the collection.

Silly me, I thought I was getting a companion book to my Instant Pot! That said, the book has some great recipes and you can make them in a variety of formats. I'm sure I will make good use of it in the future.

Smartly organised book. Recipes totally doable and original!!! Can be used as a cocktail table book as well due to its nice size and appealing cover. I use it a lot.

Great cook book. Lots of variety and instructions are clear. Pictures for every recipe (at least it seems that way). I love Martha's recipes.
