Frommer's Washington State (Frommer's Complete Guides)

Synopsis

Meticulously researched, with every recommendation based on personal experience, Frommer's Washington State is the only guide you'll need to experience all the adventure and natural wonders of this amazing corner of the Pacific Northwest. In this detailed and completely up-to-date guide, you'll find great places to stay in every price range: sleek Seattle business hotels, romantic coastal inns, historic B&Bs, family-friendly motels, rustic cabins, and more. We'll make sure that you don't miss any of Washington's top experiences: checking out Seattle's galleries and coffee bars, sampling the vintages at up-and-coming wineries, whale watching in the San Juan Islands, biking on bucolic Whidbey Island, hiking Mount Rainier, marveling at Mount St. Helens, and exploring the wondrous temperate rain forest in Olympic National Park. Whether you're looking for family fun or daredevil thrills, Frommer's Washington State will help you design the adventure that's right for you.

Customer Reviews

More than 14 million visitors a year and hordes of international visitors have made Washington the 11th most popular U.S. state for foreign tourists. This guide hits all the highlights, from the exciting restaurant and nightlife scenes in Seattle to the pristine beauty of the San Juan islands. It also offers complete coverage of Mount Rainier, Mount St. Helens, and Olympic National Park, which hosts more than 4 million visitors annually, making it the 3rd most popular park in the country. With candid, in-depth reviews; detailed color maps; and choices for every taste and budget, Frommers is the premier guide to the best of the Northwest! --This text refers to an out of print or unavailable

edition of this title.

Experience a place the way the locals do. Enjoy the best it has to offer. Frommer's. The best trips start here. Explore the wonders of Washington State, from the best beaches and outdoor activities to scenic wine country tours. Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip whatever your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. Find great deals and book your trip at Frommers.com

This book gave some good ideas of places to visit and things to see. The downfall is that it tries to cover too much. As a result of covering the entire state, the book limits what it covers. Directions were bad, maps were lacking. The suggested places to eat were horrible. Every single one of the ones we tried. Maybe my tastes were vastly different from the author, or maybe there was some incentive for the author to recommend such bad places. Use the book to get a short list of things to do, but use other sources to find places to eat.

We really like Frommer's in general. This book wasn't the best in our collection but was a great addition to our trip planning. We especially like using it for on the fly decisions like where to eat in town X and for the advice on which trails/beaches/sites to hit in the national/state parks. The book showed signs of being dated in some places. E.g. recommended restaurants no longer existing.

My husband and I "vowed" to have adventures in all 50 states before we turned 50, than these books are a life saver! Highly recommended! It's also worth buying because we take the book with us because our plans are never set in stone. It's nice to have when you end up in some town and you're trying to figure out where to not eat dinner, or where you can find an awesome b&b!

As expected, a great and informative book! Very organized with lot's of suggestions for your stay.

Book arrived in a shrink-wrapped bag, on time (took about 10 days), and as described.

This book helped me so much with my first trip to Washington State. I found so many places that I would never had known about and it also hlped give me ideas for the next time I go back to Washington... I will go back, its absolutely beautiful! Even if it does manage to rain for three of the 7

days I you are there! :-)

I have always liked Frommer books for traveling. I think that they have the best overall information on locations. We are going to Seattle, San Juan Islands, Olympic National Park, and Mount Rainer. This book had great information on these spots.

There many adventures that await in this book which I am looking forward to taking on . . .can't wait to conquer a few this coming spring.
