I love this book. It was in really good shape. It took a bit longer to arrive in the mail than I liked but it was in good shape. Roger Bansemer is a favorite of mine so I was glad to find his book. The story and art work means something to me. I would buy from the sellers again. All in all a good experience.

Beautiful book, great reference for watercolor painting

The book came on time, but it was in worse shape than I had hoped for. The cover was torn in several places quite badly. However I am glad to have it, just a little disappointed in the shape of it.

Very nice shape, great pictures gave for gift and it was like new. I enjoyed the art work he is a great

artist. My daughter received book and loved it.

I love this book! Roger Bansemer's paintings and knowledge of subject matter are amazing. I had to order more of his books because of this.

Perfect! Brand new book!

We own a home near The Villages in FL and love the nature coast on the West Coast near Hernando Beach And Spring Hill areas.

I am a painter and found that Roger Bansemer's book is great to give you ideas about Florida paintings. Would recommend it!
