## Customer Reviews

Natsume Akatsuki is the author of Konosuba: God's Blessing on This Wonderful World! Kurone Mishima is the artist behind The Devil Is a Part-Timer! High School!--the high school manga spin-off of the hit light novel series The Devil is a Part-Timer!

Mine just came in and it's a bit damaged. Kind of heartbroken a little. :/Other than that I'm gonna enjoy the read.

This book fun as usual, there's a few thing that cut from anime and details that's not shown (namely internal monologue). Sure, Japanese voice acting is top notch but there's some thing that can only found by reading the novel.

Love the author and his work. Can't wait for the next one!

One of the best light novel series of all time

umm... why is everyone saying liked or disliked it when you can only pre order it? I can't wait sure it will be great and i hope they animate it even tho the animator said he was done animating things in the future. ;)

Enjoyed the author's take on escapism (fantasy). Instead of focusing on adventures, we get comedy instead. One bad thing is this series don't have a plot yet.

I recently bought vol. 3 on my kindle and it is only showing 3 blank pages. Please fix!
