# A Philippine Rose Happy Ending

## **Synopsis**

Come follow Maricris, an exotic 22-year-old hard working call centre agent in the wonderful Philippines as she stops a thief from stealing a strikingly good looking foreigners wallet. A whirlwind of emotions and promises that follow that sees her surrender her sacred virginity to such an experienced man's tender touch. The stress of going to meet her poor but loving family, The tension of meeting her exciting loverâ€”â€œs best friend, The surprising twist that threatens Maricris dreams. All Philippine girls are understanding, loving, and devoted partners. But will the fire her first love breathed into her young body be enough for her to understand this secret?â€”â€œ. I had been kissed before, twice when I was in high school, but not like this. With each press of his lips, each stroke of his tongue, I felt heat growing inside me, spreading throughout my body and resting in my belly. It was a new sensation for me and at first, it totally scared me, making me want to run away, to disappear, but the longer we kissed, the more comfortable I becameâ€”â€œ. A fictional story with enough snippets from my life and my friendâ€”â€œs lives to be real. I hope you enjoy. Love Rose
