Baker's Secret Chocolate Truffle Cookbook: 22 Great Recipes And Lots Of Baker's Secrets! (Baker's Secret Cookbooks Book 1)

Synopsis

The best, most luscious chocolate truffles recipes available today! 22 easy recipes for the easiest, most scrumptious sweets you can make. The chocolate recipe book is not only filled with great recipes, but offers up some of professional baker's prized secrets, including the secret ingredient made from coconut oil that will make your truffles work everytime! Today only, get this Kindle Book for just \$2.99, before the price goes back up to \$4.99. Dear Chocoholics, Truffles are the way chocolate ought to be eaten. Not only are truffles rich in taste and easy to make, but you will amaze your friends and family when you serve them up, because everyone thinks they are hard to make. In The Baker's Secret Chocolate Truffles Cookbook, you will find truffles for vegetarians, liqueur lovers, truffles the kids can make and even a recipe to make 5 dozen truffles for that bake sale you've foolishly volunteered to bake for! Here is a brief overview of what's inside:

Customer Reviews

Oh my! There goes the diet. For anyone who has wanted to try their hand at making their own truffles, this book offers some very good advice and instructions on how to best approach the project. It has suggestions on the best technique for forming the candies, melting the chocolate, and which ingredients make the best truffles. The instructions for each recipe are written in a clear and easily understandable style. These recipes include a nice combination of familiar truffles such as Dark Chocolate, White Chocolate Almond, and Parisian Chocolate Truffles, and a number of unusual flavors such as Chocolate Vegetarian Pumpkin, White Chocolate Apricot Hazelnut, and Strawberry Truffles. Several of the recipes feature liqueurs as flavorings for the truffles. For some reason the author placed photographs of liqueur bottles and product packages among the recipes where photographs of the actual truffles would have been more useful. At times the oddly-placed bottle photographs disrupt the flow of the recipe, so I hope in the next revision of the book, these might be removed to improve the readability of the text. The photographs are a nuisance rather than a

deal-breaker. Recommended for non-dieters and chocolate lovers.

I'll be trying many more of the recipes. I think they will make great gifts. All you have to do is make the truffles add a pretty box with a bow. If the other recipes are as good this is a great find. Thanks. Carol Taylor

Truffle recipes - yes, Baker's secrets - didn't find any secrets in the Kindle version.

Lovely recipes and easy to use, well laid out and some fab ideas, definitely a good investment, especially as it's free!
