With the publication of his first book in 1962 at the age of 26, Richard Saul Wurman began the singular passion of his life: that of making information understandable. A holder of both M. Arch. & B. Arch. degrees from the University of Pennsylvania, he has been awarded several grants from the National Endowment for the Arts, a Guggenheim Fellowship, two Graham Fellowships & two Chandler Fellowships. In 1991, Richard Saul Wurman received the Kevin Lynch Award from MIT for his creation of the ACCESS travel guides. In 1994, he was named a Fellow of the World Economic Forum in Davos, Switzerland & awarded a Doctorate of Fine Arts by the University of the Arts in Philadelphia, PA. In 1995, he received an Honorary Doctor of Letters from Art Center College of Design & was Chairman of Graphic Design & Product/Industrial Design of the 1995 Presidential

Design Awards. Richard Saul Wurman continues to be a regular consultant to major corporations in matters relating to the design & understanding of information. He is married to novelist Gloria Nagy, has 4 children & lives in Newport, Rhode Island.

Having seen an old copy of this guide I was keen to have a copy for my next visit to Paris. The reason I bought this guide was because of the colour coding of restaurants, hotels, shops, outdoors and sights and culture in each area so that when visiting I could design day tours to suit our group. I am disappointed that the publisher has not continued the colour guide so that all of the information as well as the headings are colour coded. The headings in colour are helpful. The pop ups of personal stories or areas of interest are good but could have more information on how to actually find the places mentioned.

Just ordered Access Paris for a friend, and was reminded, again, how much I enjoy using this book to get ready for trips to Paris. It includes big picture information, as well as detail. The guide is organized by walking tours of neighborhoods, with everything described along the way, from points of interest, to shops, restaurants, and many local favorites. Enjoy!

This newer version is not as user friendly as the last one. I still have the older one and used it this past month in Paris again and left the new one at home. Difficult to read and heavier to carry.

This is my favorite travel book. Very easy to carry around Paris. Always understand where I am and howto get where I want to go. Enough history and up to date restaurants.

A book about the sites in Paris, make sure you buy the current up to date volume. The map was very handy to use.

Very useful when in Paris for pre-planning and when in the city.

Since it was at least 5 years old it wasn't very helpful! . Didn't say that in the description.so no.

This would have been a great guide if it would have included some sort of metro guide or stated what metro stops were close to the attractions/shops/restaurants..ended up buying a Streetwise guide to supplement.
