Three Vampire Tales: Dracula, Carmilla, And The Vampyre (New Riverside Editions)

Synopsis

Three classic works of vampire literature come together for the first time in one volume.

Complementing the complete texts are background essays as well as additional selections by the three authors and others. Because the vampire novel has proven so influential in film, an extensive filmography is included.

Book Information

Series: New Riverside Editions

Customer Reviews

This book... and those stories... poems within are fantastic! I love the college "bound" versions of literature, and often seek these out first for my collections. This book has each story in chronological order (including the "back-stories" about the authors and WHY and HOW they came to write the article/poem/story etc...), and once you've read about the tale... then read the tale... one can see how the Vampire has evolved through history and taken on various aspects etc.... it is a great place to go when you've finished with a favorite story or movie and wish to continue on with that mood while you can!

There was John Polidori's *The Vampyre* and Sheridan Le Fanu's *Carmilla*. This book has all THREE plus chapters that trace early appearances of vampires in literary works and chapters that focus on Stoker's research into and his creative use of vampire sources. Also the cancelled chapter never used in *Dracula*, called "Dracula's Guest", which is a story all by itself. To wrap up the book there is

a list of vampire films, listed by year, in the back. Very detailed, very complete - perfect as a gift or just an addition to any vampire library.

a must for the vampire fan

Excellent quality...I love the book.

Great

Excellent for gothicism

Dracula is a classic that is worth the price of admission by itself. But when you add Carmilla, Vampyre, and the other little extras then it becomes a must buy for any fantasy or vampire fan. Pick it up. You won't be sorry.

This was what I was looking for, so I ordered it. I'm a Prime member so I got it very quickly in the mail. :)
