Customer Reviews

Steve Foxe writes comics and edits children's books in New York City. He enjoys spooky movies, weird GIFs, emotionally exhausting cartoons, and cats. Literally anything to do with cats.

My five-year-old loves this book. It describes the five main bots, the Burns family, additional bots, plus other Griffin Rock humans. It includes a matching card game and a poster that went on the wall immediately.

Love this! If you have a rescue bot lover - it's a must buy! Has little trading cards of the bots and a poster included!
