Max McCalman is America's first restaurant-based maître fromager and a Garde et Juré, as designated by France's Guilde Internationale des Fromagers. He established the critically acclaimed cheese programs at New York City's Picholine and Artisanal Bistro restaurants, and was dean of curriculum at the Artisanal Premium Cheese Center in New York. He is a highly visible advocate for artisanal cheese production around the world.

This is the best ever!! I love wine and I love cheese and I sure love having them together, but I Have no clue what I'm doing. I would always just guess and get cheeses that I liked, but that didn't necessarily pair perfectly with the wine I was having. This lets you choose either a cheese to pair with a specific wine or a wine to pair with a specific cheese. It's helped me look a little fancier at parties I'm hosting and they have no idea how easy it is :) Great tool for those who love to host, love wine, and love cheese!!

Gave this as a stocking gift for my son He loved it

Max McCalman is truly a master! This book is not only packed with delicious information but it motivates me to sample and pair wines and cheeses. He is spot on with his suggestions and makes learning an adventurous experience.

I love wine and cheese, but am certainly no expert at pairing them together. This book is so handy and easy to use when looking for the perfect cheese to fit my wine choice, and vice versa!

Got it as a gift for someone who likes wine. They loved it!

Wonderful gift item. Great for newly formed couples to bring with a bottle of wine.
