Customer Reviews

I am just starting my study of Celtic singing and was pleased to find this book. I am also glad to note that there are not very many repetitions of songs in this book and "Celtic Woman Songbook", so I should have at least 43 songs to choose from, which is a pretty decent inventory to begin with.

As a vocalist, as well as a Celtic Woman fan, I am delighted with "Songs from the Heart"! I was recently in charge of planning a program of Irish, Scottish and Welsh tunes for my music club. I was particularly interested in including "Isle of Hope, Isle of Tears" in a segment on emigration, and found the song was included in this book. 's price (approximately one-third off the suggested retail price) was so reasonable that I didn't mind paying for expedited shipping. The item arrived, as promised, within two business days. I was pleased to discover that the musical arrangements are not

just solo versions, but include vocal harmonies. While the piano accompaniment on "Isle of Hope..." was not what I'd hoped for-- written as melody, plus simple chords through most of the song--my accompanist was able to embellish, and the vocal harmonies made for a lovely performance! (I should mention that, after looking through other selections in the book, this overly simplified piano accompaniment does not appear to be the norm.)In general, I am very pleased with "Songs from the Heart" and would recommend it to others who enjoy Celtic music.

Wanted songbook so I can sing along with the Cd.

This is a great book for any Celtic Woman fan to have in their collection. In my opinion, it is the best of the 3 song books. It has the entire set list from the 'Songs from the Heart' DVD plus 'You'll Be In My Heart' which is only on the CD. I recommend this book to anyone who is a fan of Celtic Woman or Irish music.

lovely

I love this book! All of the songs are so gorgeous and the arrangements sound exactly like the way they are performed in the show! I'm super pleased that it arrived in perfect condition and very quickly!

AS BIG FAN OF CELTIC WOMAN I AM SO GLAD TO HAVE THIS BOOK TO ADD TO MY GROWING COLLECTION OF ALL THINGS RELATED TO CELTIC WOMAN!!!

I love Celtic Woman. I've always wanted one of their song books to sing from, and this one has all of my favorites. Even has all of the harmonies broken out in the most amazing version of Amazing Grace I've ever heard! If you love singing their stuff, the book is well worth it!
