This came in good time and is the translation I prefer. It has footnotes (explanations of what the you might not understand) at the end of each chapter, which makes it easy to use as reference--the child I gave it to is using the footnotes--increases her interest in the Bible.

Bought this as the Holy Father recommended we all keep a copy of the New Testament in our pocket or handbag. Good pocket size, but a bit thick as, of course, there's a lot in the New Testament. So a bit too heavy for the pocket. But if you are you g and fit, go for it. Good binding. I am now looking for pocket copies of each of the "chapters"

Preparing for a trip to the Holy Land, this vest pocket New Testament is the best for coordinating the tour stops with the Gospel message. It is an excellent translation and having it for a group of people will bring about a prayerful environment while walking with Jesus

Very nice, pocket size NT for Catholics. Print large enough to actually read, always a nice feature in a compact Bible or devotional. Includes explanatory notes.

Very handy and font size is okay for me..

I liked this New Testament, but I really wanted and need the Pocket Size, as the print in the Vest Pocket Size is too small for me to really do a good job of reading it. Let me know where I can purchase the Pocket Edition of the Revised New American Bible Thank you. John

Perfect size. Very clear translation. Good quality paper.

portable, good quality
