## Customer Reviews

This book helps students better picture what life was really like during the Civil War time period. They can better envision the differences between now and then and also how history may have helped shape today's society and government.

These are a great line of books! My 5th graders enjoyed reading them. They really made them compare and contrast the life at the time period vs now. I would highly recommend.

We love ALL the books "If You Lived At The Time Of.." We use them for history and homeschool. It is written in a way I really think makes it interesting for kids.

I buy the "IF YOU" books for my grandson. He loves them.

I really loved this!! I added it to my library for my classroom. It has a lot of fun activities and good information.

All of these books are great for English Language Learners in Middle School. This book arrived in perfect condition and within a couple of days of my ordering it. Students can imagine what the country was like way back when....

It is a wonderful book to help young adults understand what it would be like to live in the time of the Civil War. It is educational and well written. I think a perfect book at the level children need to be able to explore the world during that era.

Very easily understood and represents the truth. Thank you.
