As the title says, I have numerous books of S Brown and, while not her best one, it was a nice read. Again, I am never comparing this type of novels to, Tolstoy or O'Henry, so I always try to keep it in

perspective. As romance novels go, this one is a very cute story, at times warm, mostly sensual and provocative. When you are in the mood for this sort of entertainment, like for example, on a beach, or during a long plane ride, or a rainy weekend, this book is perfect. Plus, I liked the idea of long-time friends discovering each other. Its sweet.

A little gem! Sandra Brown this was good. Audiobook was only 4 cd's and there was such great chemistry between the main characters that it was worthy of much more. Worthwhile though too short.

I thought it was a mystery, but it turned out to be one of her romance books. Love her mysteries, but the darn thing made me sleepy!

Sandra Brown is one of my favorite authors so I try to read all of her books. This was a quick read.

Again Sandra Brown has produced a winning novel

Good read

I like her mysteries much better than her romance books as they are a little lacking in a good plot

I love Sandra Brown's writing. She is one of my favorite authors of romance novels. A Whole New Light is very entertaining. and i would recommend this book.
