Anything connected with the Eagles is 5 star + 10. From the first licks of "Take is Easy", I was hooked. I had never heard the banjo, mandolin, 12 string guitar and 4 singers working together as one. Well worth the purchase price if you only pick up one song from the bunch.

This book brings back so many memories! The piano music is fairly easy - and also accommodates guitar players as well as piano players.

I love the Eagles music and this book works well for me to play their music on my keyboard. A good selection of their greatest hits.

Not enough songs, needs to be spiral bound. I should have checked first.

Best piano "Desperado" version I ever found.

Great keyboard arrangements that sound like the songs as they were recorded. Same goes for the

guitar. A Goidelic price too!

Great CD but I thought I was ordering a book with the sheet music plus chords for piano! :-)

I bought the "sheet music" book Eagles: Their Greatest Hits. It arrived today. The book dates from the mid-seventies but is in pristine condition. The price was \$2 w/ about \$4 s&h. I couldn't be happier with my purchase. I love to play these oldies with my guitar and I prefer to have the "hard copy" to using the tabs available online. I will continue to find and collect classic song books now that I've had such a good experience.
