# The Person And Work Of The Holy Spirit

## **Synopsis**

BEFORE one can correctly understand the work of the Holy Spirit, he must first of all know the Spirit Himself. A frequent source of error and fanaticism about the work of the Holy Spirit is the attempt to study and understand His work without first of all coming to know Him as a Person. It is of the highest importance from the standpoint of worship that we decide whether the Holy Spirit is a Divine Person, worthy to receive our adoration, our faith, our love, and our entire surrender to Himself, or whether it is simply an influence emanating from God or a power or an illumination that God imparts to us. If the Holy Spirit is a person, and a Divine Person, and we do not know Him as such, then we are robbing a Divine Being of the worship and the faith and the love and the surrender to Himself which are His due.

Reuben Archer Torrey (1856–1928) is respected as one of the greatest evangelists of modern times. Several years after his graduation from Yale Divinity School, he was selected by D. L. Moody to become the first dean of the Moody Bible Institute of Chicago. Under his direction, Moody Institute became a pattern for Bible institutes around the world. Dr. Torrey spent the years of 1903–1905 in worldwide revival campaigns, winning thousands of souls to Jesus Christ. He continued worldwide crusades for the next fifteen years while he served as the dean of the Bible Institute of Los Angeles and pastored the Church of the Open Door in that city. Torrey longed for more Christian workers to take an active part in bringing the message of salvation through Christ to a lost and dying world. His straightforward style of evangelism has shown

thousands of Christian workers how to become effective soulwinners.
