Great Things He Has Done!: Songs Of Praise For Piano Four-Hands

Synopsis

What could be better than a book of Mark Hayes piano solos? How about a book of Mark Hayes piano duets? We're pleased to introduce Mark's first full-length piano duet collection. Designed for four-hand duos looking for a musical challenge, "Great Things He Has Done!" brings together favorite Gospel songs, spirituals, and American folk hymns. The opener, "Christians, We Have Met to Worship," has a jaunty, traditional American feel, and it is followed by a sparkling treatment of "To God Be the Glory." Of course, there's a serving of jazz too--"This Little Light of Mine" will definitely rock your piano bench. At last, a Mark Hayes book that you can share with a friend!

Customer Reviews

I think I have most of Mark Hayes's arrangements for piano and have loved each one. My daughter and I are intermediate players and we can put these together easily with a small amount of practice and they sound great.

I love Mark Hayes arrangements. I play almost nothing else but his stuff at my church job.

Great music!

I highly recommend this book. The arrangements are great and fun to play. There is a nice variety of songs to use for multiple occasions.

These arrangements are typically Mark Hayes. They are well done and fun to play!
