Eastern Coastal Birds: A Folding Pocket Guide To Familiar Species (A Pocket Naturalist Guide)

Synopsis

Shorebirds and seabirds found on the east coast are truly world globetrotters with migration routes that span oceans and continents. Eastern Coastal Birds is the ideal pocket-sized, folding guide for the seasonal visitor or resident to identify commonly seen birds along the coast of eastern North America. This beautifully illustrated guide highlights over 140 familiar species and a map featuring prominent coastal birding hotspots. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by birders of all ages.

Made in the USA.

Customer Reviews

Eastern Coastal Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map)

Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

Perfect Pocket Guide for those like myself wanting to learn all the different Coastal Birds I see. This is a short and easy way for all the birds to be combined and sorted together and easy to carry.

A bit pricey, but also very handy. I purchased this guide for my grandson who loves the pictures and reading about each bird with his parents and grandparents.

Terrific, simple guide. Love that it is laminated and thin, so we can take with us to the beach.

This is a waterproof folding guide with great colored photos average length of the birds, a short description and female or male symbol. Also has map on back of places to see these east coast birds

Very satisfied with this item, exactly as described.

A bitter disappointment!

great

For those times when birding is not your main focus, these lightweight, sturdy and easy to slip into a pocket or tote bag guides are a quick reference to the most familiar species that you'll find along the east coast.
