Customer Reviews

I was looking for different Pepsi products.

I have a Pepsi collection and most of my things were not in this book. Things that I see in the antique stores are not usually the rarest of the collectibles, so would rather have something more useful.

Awesome. It is exactly what needed to learn about my favorite hobby. I would order from again I needed to learn

fast shipping- gave it as a gift and the recipient loved it

small book easy to carry but the value of items a bit lower than market now

purchased as a gift

Wow! we can't find alot of Pepsi books to find what Pepsi products are of worth. we were excited to find a book that was easy to carry and had everything we were looking for.

We are so happy to have this field guide...finally. Now we can make informed decisions on what we buy. Thank you.
