Two-Minute Drill (Comeback Kids)

Synopsis

From #1 *New York Times* bestseller Mike Lupica! Chris Conlan is the coolest kid in sixth grade—the golden-armed quarterback of the football team and the boy all the others look up to. Scott Parry is the new kid, the boy with the huge brain, but with feet that trip over themselves. These two boys may seem like an odd couple, but each has a secret that draws them together, and proves that the will to succeed is even more important than raw talent.

Praise for the Comeback Kids:
"Lupica portrays the action clearly and vividly, with a real sense of the excitement and unpredictable nature of the games. These are worthy additions to collections seeking to draw in middle-grade boys with an enthusiasm for athletics." *School Library Journal*
"These should score big with middle-graders looking for alternatives to Matt Christopher's titles." *Publisher's Weekly*
"This title is a good choice for reluctant readers with a background in baseball." *School Library Journal*

Great book. I've been looking for something just like this for my 9 yr old son. He hates reading but loves sports. This book caught his interest in reading. I was sure to order another in the series before he finished this one. I will keep buying these books.

Loved the book! Read it in four days. I would recommend this to anyone that asked if it was a good book or looking for a book.

Let's hope my grandson enjoys them. Not much of a reader, but a sports nut.

Love this book for our 8 year old son. Great character trait building.

great kids book, my son is 12 and understands the message being delivered...

My 11 and 13-year-old boys enjoyed this. They had a hard time following some expressions.

My sixth grade son hates to read, but actually liked this book and chose it for a book report he had to do. I read it too and found it to have some good points to discuss with my son.

Our great-grandson loves these books so it made a perfect gift for him.
